About me

Hi! My name is Isaac, I'm passionate about Web Development, especially the Front-End area.

I like to learn about this subject, and show my skills in this area, putting it on my Github, Codepen, and Web Portfolio.

I am a very curious person, who likes to learn and expand my knowledge. Every day I try to improve my skills so that I can grow professionally.

Education

Vocational Course, Java Web Programing | 07/2021 - 12/2021
Instituto Proa / Senac

Technical Course, Systems Development | 07/2019 - 12/2020
ETEC Professor Basilídes de Godoy - Centro Paula Souza
